ADDITIONAL INFORMATION

The Muse sofa is made with 100% natural, healthy, sustainable upholstery developed in collaboration with the naturalmat company. It can be made in sizes to suit your space including L-Shaped and U-Shaped configurations.

MAINTENANCE

The frame is finished in a natural hard wax polyx oil. This protects from stains and spillages whilst keeping the timber looking and feeling as natural as possible. Simply wipe off with a damp cloth. For fabric and leather, please consult with the manufacturer.
